Curve Solar Motion Light

WORKS
IN WINTER

250 TRIGGERS
PER NIGHT

UP TO 10 HRS
RUNTIME

NO MAINS

RRP £24.99

Key Features

- Perfect for lighting doorways
- High quality aluminium finish
- Motion sensor activates light as you approach

The Curve Solar Motion Light is designed to guide you to your door after dark using only the power of the sun. This beautifully designed solar welcome light offers unparalleled reliability and waterproofing. The Curve has a detection range of 6.5m and will activate for 30 seconds as soon as it detects motion.

Helios Solar Spotlight

WORKS
IN WINTER

LIGHTS UP
TO 8M

UP TO 10 HRS
RUNTIME

NO MAINS

RRP £24.99

Key Features

- Perfect for accenting shrubs, flower beds and trees
- Adjustable solar panel angle
- Wall, decking and spike fixings included

The Helios Solar Spotlight exceeds expectation. Even after a sustained period of dull days the Helios comes on at night with unrivalled consistency. With its solid metal construction there are few solar spot lights that rival this in terms of build and brightness.

Product Code: SS7503

Thea Solar Garden Spotlight

WORKS
IN WINTER

LIGHTS UP
TO 15M

UP TO 12 HRS
RUNTIME

NO MAINS

RRP £29.99

Key Features

- Adjustable solar panel angle
- Toughened plastic construction
- Wall, decking and spike fixings included

The Thea Solar Garden Spotlight is easily the most powerful garden spot light we sell. With a whopping 8 super bright LEDs backed up by a 1.4w solar panel, the Thea Solar Garden Spot will comfortably light to a distance of 15 metres.

Product Code: SS7502

Selene Solar Landscape Spotlights

WORKS
IN WINTER

LIGHTS UP
TO 25M

UP TO 10 HRS
RUNTIME

NO MAINS

RRP £49.99

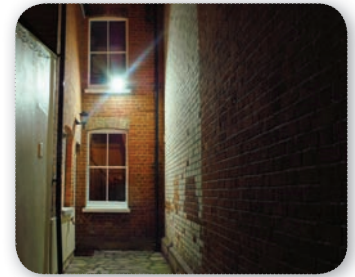

Key Features

- 5m cable between panel and each light
- Toughened die cast aluminium construction
- Fittings included for stake, deck and wall mounting

The Selene Solar Landscape Spotlights can be positioned up to five metres away from their solar panel, enabling you to place solar lights in shaded areas where they wouldn't normally charge during the day. The Selene Solar Landscape Spotlights contain six super-bright LEDs in each light and can comfortably light up to 25 metres.

Product Code: SS7570

Astron Solar Floodlight

WORKS
IN WINTER

REMOTE
CONTROL
